Chorusx2

I be international, I be international
I be international because I'm always stackin doe

I be international, I be international
I be international and that's why I be smashin hoes

Ridin in the spaceship, cuz I'm down with nasa
Smokin on a spliff in jamaca wit a rasta
We be gettin wasted, visiting atlanta
Took another trip, now I'm clubbin down in ghana
When it comes to money we be so fuckin serious
Hustlin overseas and I just bought pyramid
Aye... and I stay makin money
Blaze in amsterdam on my way back from hungry
Chillin wit a model, and she's european
Ridin on the waves cuz were goin jet-skiin
So much extra cash that, I can't even count it
Pop another pill, then I'm climbin up a mountain
When it comes to work man, I am the sickest
Cuz we're in the cut movin weight like fitness
Posted in the trap and I'm handelin my buisness
Posted in the whip and I'm pimpin on the princess

Chorus X2

I be international, I be international
I be international because I'm always stackin doe

I be international, I be international
I be international and that's why I be smashin hoes

I be on a plane flyin like a tardacto
Light green kush same color as a lambo
Interior same color as a camel
Daimonds in watch and it's rocky like rambo
In and out of vancouver kinda like the grizzillies
Shots of patrone and it just started hittin me
Brand new suit and I bought the shit from italy
Took ur bitch there, cuz she never bin to sicali
I be international, catch me in the tropics
Lyn on the beach and I'm still makin profit

All up in mexico, pasos in my pocket
And I'm swaggered up from the gear in my closet
Every single day I put money in my wallet
Cuz I'm gettin paper and the haters can't stop it
Cruisin on the highway, listenin to nickleback
And I'm throwin bullets in the game like quarter back
