OOOH! ooooh!

If anyone could steal my heart

I say that its you girl

If anyone could play the part

I say that its you girl

You got sexy ways that can make me stay

with a smile that knocks me off my feet

I would do anything for the joy you bring

with you my life would be complete

So take me home with you girl

I got so much lovin to give

So take me home with you girl

I got so much lovin to give to give

If anyone could change my life

I say that its you girl

If anyone should be that love

I say that its you girl

cause you got sexy ways that make me stay

with a smile that knocks me off my feet

I would do anything for the joy that you bring

with you my life would be complete

So take me home with you girl

I got so much lovin to give

So take me home with you girl

I got so much lovin to give

So take me home with you girl

It's the only way I can live

So take me home (take me home)

So take me home with you girl

cause I got so much lovin to give

So take me home with you girl

It's the only way I can live

So take me home baby take me home

you got sext ways,

ways that could make me stay

no other woman could steal my heart

no other woman could play the part

you got sexy ways, ways that could make me stay
take me home with you
take me home with you
please baby won't you take me
take me home with you
take me home, take me home with you

the sexy ways those ways that me stay
please baby
take me home
take me home
