"Be There"

On the run, we're on the run,
On the run, we hit the brakes but keep movin'
Left with none, we're left with none,
Left with none except these scars and these bruises

When everything turns dim
It's love that finds a way
It's one last time
Before we fly away

When the lights go down, I'm gonna be there
When you're on the run, I'm gonna be there
When you're hangin' on, I'm gonna be there
I'm gonna be there, I, I'm gonna be there
When the lights go down, I'm gonna be there
When you're on the run, I'm gonna be there
When you're hangin' on, I'm gonna be there
I'm gonna be there, I, I'm gonna be there
Be there, be there

Just begun, it's just begun,
Just begun, there's no stopping we're cruisin'
All we've done, all that we've done
All we've done, who do we think we're foolin'

When everything turns dim
It's love that finds a way
It's one last time
Before we fly away

When the lights go down, I'm gonna be there
When you're on the run, I'm gonna be there
When you're hangin' on, I'm gonna be there
I'm gonna be there, I, I'm gonna be there
When the lights go down, I'm gonna be there
When you're on the run, I'm gonna be there
When you're hangin' on, I'm gonna be there
I'm gonna be there, I, I'm gonna be there

When the lights go down, I'm gonna be there
When you're on the run, I'm gonna be there

When you're hangin' on, I'm gonna be there
I'm gonna be there, I, I'm gonna be there
When the lights go down, I'm gonna be there
When you're on the run, I'm gonna be there
When you're hangin' on, I'm gonna be there
I'm gonna be there, I, I'm gonna be there
Be there, be there
Be there, be there
