I've seen life through the eyes of a different soul  
I left my past so my future would be under control  
Now I' got nothin' standin' in my way  
I gave it all away  
I gave it all away  
Woah, I gave it all  
You got me livin' how I've wanted all along  
Now all my tears are dried away  
You got me livin' how I've wanted all along

I feel so alive  
Alive  
Inside, inside  
I'm breaking through the haze  
To a brand new day  
'Cause my heart has been revived

How was I supposed to survive in this vast sea  
I was so scared my own heat would try to abandon me  
Now I' got nothin' standin' in my way  
I gave it all away  
I gave it all away  
You got me livin' how I've wanted all along  
Now all my fears have run away  
You got me livin' how I've wanted all along

I feel so alive  
Alive  
Inside, inside  
I'm breaking through the haze  
To a brand new day  
'Cause my heart has been revived  
I feel so alive  
Alive  
Inside, inside  
I'm breaking through the haze  
To a brand new day  
'Cause my heart has revived

I feel so alive  
(I feel a fire inside)

(It's like a whole new ride)  
(I feel a sweet increase)  
(Consuming all of me)

I feel so alive  
Alive  
Inside, inside  
I'm breaking through the haze  
To a brand new day  
'Cause my heart has been revived  
I feel so alive  
Alive  
Inside, inside  
I'm breaking through the haze  
To a brand new day  
'Cause my heart has been revived  
I feel so alive
