Honey, here's a little advice..
You better check yourself before you wreck yourself

Always me and you
Tight like sisters, crazy cool
So when you got kinda buddy with my guy
Nothing funny even entered my mind
Imagine my surprise, to catch you in your lies
So rude.. You lose, you'll get what's coming to you
Whos the fool? You forgot the golden rule

What'cha put up comes back
What'cha been doin is talkin trash
Now you go burnin up that bridge..
Makes me wanna say kiss this!
I don't even have to stoop so low,
Cuz if there's one thing that I know
Everything that you do comes back to bite you in the..

Ask me all innocent like
Im kinda upset while your actin funny
I'd explain but it would be useless
You've proven yourself to be clueless
How could you front like that!?
Cool to my face, then stab my back!
Oh dude, you lose, you'll get what's comin to you..
Whos the fool? You broke the golden rule..

What'cha put up comes back
What'cha been doin is talkin trash
Now you go burnin up that bridge..
Makes me wanna say kiss this!
I don't even have to stoop so low,
Cuz if there's one thing that I know
Everything that you do comes back to bite you in the..

Two weeks later, and you lost your man
He kept running back to me but I told him no chance
Now you got no bestfriend to turn to..
A lonley circumstance

Life can be a bummer, when it all comes back...

What'cha put up comes back
What'cha been doin is talkin trash
Now you go burnin up that bridge..
Makes me wanna say kiss this!
I don't even have to stoop so low,
Cuz if there's one thing that I know
Everything that you do comes back to bite you in the..
