Nothing could be better
Than us being together
To celebrate the holidays

This time of year is all about giving out
And reaching out
I wish that it were here to stay

If you were me and I were you
It wouldn't matter that's the truth
Cause you and I both feel the same

This Christmas is all about us
And sharing all the love it brings

Go girlfriend, go girlfriend,
You know whats up and u no I aint playing

Go girlfriend, go girlfriend,
You know we got a like that,
And this is how we living

This Christmas no trippin aint no stoppin
Cause we can make it through it all, it all
Go go go go

So have a merry Christmas, baby go and get it all!
Ge Ge Ge get it all!

Snow is steady falling
The sleigh bells are a calling
For us to come and take a ride

But we are busy with the tree
Singing Christmas melodies
We really cannot spare the time.

These days are here, it's soon to go
A year/month passed, and you should know
That Christmas wouldn't be the same

Without family and friends spending this day

We gotta good reason to say

Go girlfriend, go girlfriend,
You know whats up and u no I aint playing

Go girlfriend, go girlfriend,
You know we got a like that,
And this is how we living

This Christmas no trippin aint no stoppin
Cause we can make it through it all, it all

So have a merry Christmas, baby go and get it all!
Ge Ge Ge get it all!

One day, we'll be looking back
Flipping thru the pictures in our books
Think about our happiness and what we've done
(What we done, we what, what we done)

And we won't forget a single thing,
All the love that Christmas had to bring
And the joy of knowing what we had become, whoa

Go girlfriend, go girlfriend,
You know whats up and u no I aint playing

Go girlfriend, go girlfriend,
You know we got a like that,
And this is how we living

This Christmas no trippin aint no stoppin
Cause we can make it through it all, it all

So have a merry Christmas, baby go and get it all!

Go girlfriend, go girlfriend,
You know whats up and u no I aint playing

Go girlfriend, go girlfriend,
You know we got a like that,
And this is how we living

This Christmas no trippin aint no stoppin
Cause we can make it through it all, it all

So have a merry Christmas, baby go and get it all!
