I see how you look at me
Thinking that you're being discreet
I here the way you say my name
And something in, you're voice will change

Then I see you get a little red
When I laugh at something(that)you said
And you don't even have a clue
That baby I am on to you

Don't be afraid I'm gunna say yes
If your gunna ask me out, why haven't you yet
All I want to do is here it now from you

Do I gotta gotta get in your face
Don't have lotta' lot of time to waste
Do you wanna wanna be my man
Cause I know what, I know what I want from you
Do you wanna wanna be my guy
Baby baby, please don't be shy
I'm coming on strong
Cause I'm thinking your the one
And I know what I want now from you

I think it's kinda cute
That it matters so much to you
That you don't want to let me know
The way you feel, or let it show

So baby let me be the one
To take you be the hand come on
I'll tell you what I feel inside
And then it's time for you to try

Don't be afraid I'm gunna say yes
If your gunna ask me out, why haven't you yet
All I want to do is here it now from you

Do I gotta gotta get in your face
Don't have a lot a lot of time to waste
Do you wanna wanna be my man
Cause I know what, I know what I want from you

Do you wanna wanna be my guy
Baby baby, please don't be shy
I'm coming on strong
Cause I'm thinking your the one
And I know what I want now from you

Every single day
All i do is pray
For you to understand
What I got to do
What do I got to prove
There's nothing left to lose
Baby tell the truth
Cause i got to get my heart in love with

Do I gotta gotta get in your face
Don't have a lot a lot of time to waste
Do you wanna wanna be my man
Cause I know what, I know what I want from you
Do you wanna wanna be my guy
Baby baby, please don't be shy
I'm coming on strong
Cause I'm thinking your the one
And I know what I want now from you

Do I gotta gotta get in your face
Don't have a lot a lot of time to waste
Do you wanna wanna be my man
Cause I know what, I know what I want from you
Do you wanna wanna be my guy
Baby baby, please don't be shy
I'm coming on strong
Cause I'm thinking your the one
And I know what I want now
