It has been so long since we have talked
I hope that things are still the same
hoping they will never change
cause what we had can't be replaced
don't let our memories fade away
keep me in your heart for always

You made me believe
that I can do almost anything
stood right by me
through the tears through everything

I'll remember you,
and baby that's forever true
you're the one that I'll always miss
never thought it would feel like this
I'll be there for you,
no matter what you're goin' through
in my heart you'll always be, forever baby
I'll remember you

I promise you I won't forget the times we shared, the
tears we cried
You'll always be the sun in my sky
It may be fate that brings us back to meet again
someday
Even though we go separate ways

You made me believe
that I can do almost anything

You stood right by me
through the tears through everything

I'll remember youooooo,
and baby that's forever true
you're the one that I'll always miss
never thought it would feel like this
I'll be there for youooooo,
no matter what your goin' through
in my heart you'll always be, forever baby
I'll remember you

If the day should come when you need someone
(you know that i'll follow)
I will be there
Don't ever let there
be a doubt in your mind
'cause I'll remember you, you

I'll remember you,
and baby that's forever true
you're the one that I'll always miss
never thought it would feel like this
I'll be there for you,
no matter what your goin' through
in my heart you'll always be, forever baby
I'll remember you

Forever baby, I'll remember you
