Once upon a time there was a princess  
She got cast under a magical spell

I know you  
I danced with you once upon a dream  
I know you  
I danced with you once upon a dream

I know you  
I danced with you once upon a dream  
(Come on and dance)

I know you  
The gleam in your eyes is so familiar of me

Once upon a dream in a magical kingdom  
A beautiful princess fell into a long deep sleep  
(I've been dreaming about you)

Only kiss from a handsome prince could awake her  
So he could tell her how lovely she is  
(Wake me up)

I know you  
I danced with you once upon a dream  
(Come on and dance)

I know you  
The gleam in your eyes is so familiar of me  
Yet I know it's true

That visions are seldom what they seem  
(Come on and dance)

I know you  
I know what you'll do  
You'll love me at once  
The way you did once upon a dream

Wake up, me prince charming  
I've been dreaming about  
Wake me up, prince charming

Make my dreams come true

Once upon a dream

I know you, I know you  
I know you, I know you  
The prince is waiting

I know you  
I danced with you once upon a dream  
I know you  
I danced with you once upon a dream

I know you  
I danced with you once upon a dream  
(Come on and dance)

I know you  
The gleam in your eyes is so familiar of me  
Yet, I know it's true  
That visions are seldom what they seem  
(Come on and dance)

I know you  
I know what you'll do  
You'll love me at once  
The way you did once upon a dream

I know you  
I danced with you once upon a dream  
(Come on and dance)

I know you  
The gleam in your eyes seems so familiar of me  
Yet I know, it's true
