You ask me why
I change the color of my hair, yeah
You ask me why
I need thirty-two pairs of shoes to wear

You seem to ask me why I got a lot of things
It's just a chick thing, you ought to let it go
And try to understand
But you don't have a clue

That's what girls do
They keep you guessing the whole day through
Play your emotions, push all your buttons, it's true
And that's what girls do
That's what we do

You ask me why
I gotta play so hard to get, yeah
You ask me do I play it cool
Just to make you sweat, yeah

You want some kind of explanation I can give
It's just a chick thing that your messin' with
To me it's black and white
But it's not gettin' through to you

That's what girls do
They keep you guessing the whole day through
Play your emotions, push all your buttons, it's true
And that's what girls do

Yeah, yeah, yeah, yeah, yeah
Why should I change?
Yeah, yeah, yeah, yeah, yeah
I'm havin' too much fun

Yeah, yeah, yeah, yeah, yeah
To you, it's confusing
To me, it's nothing new
That's what girls do

That's what girls do

They keep you guessing the whole day through
Play your emotions, push all your buttons, it's true
And that's what girls

That's what girls do
They keep you guessing the whole day through
Play your emotions, push all your buttons, it's true
And that's what girls do

That's what girls do
They keep you guessing the whole day through
Play your emotions, push all your buttons, it's true
And that's what girls do
That's what girls do, girls

You ask me why
I change the color of my hair, yeah
