You ask me why I change the color of my hair ,Yea  
You ask me why I need 32 pairs of shoes ,To wear  
You seem to ask me why I've got a lot of things  
It's just a chick thing  
You outta let it go  
You try to understand but you don't have a cluuuuue

That's what girls do  
They keep you guessing the whole day through  
Play your emotions  
Push all your buttons  
It's true,  
That's what girls do
