If you see me walking down the street
Staring at the sky
Dragging my two feet
You just pass me by
It still makes me cry
You can make me whole again

If you see with another man
I'm laughing and I'm joking
Doing what I can
I won't put you down
Cause I want you around
You can make me whole again

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you still turn me on
You can make me whole again

Time is laying heavy on my heart
Seems I got too much of it
Since we've been apart
My friends make me smile
If only for a while
You can make my whole again

Looking back on when we first met

I cannot escape and I cannot forget
Baby, you're the one, you still turn me on
You can make me whole again

But now, I have to wait
But if you change your mind
Don't be too late
Cause I just can't go on
It's already been too long
But you can make me whole again

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you still turn me on

You can make me whole again
Ohhh....

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you still turn me on
You can make me whole again

Baby, you're the one, you still turn me on
You can make me whole again
