I started out hustling right â€¦ got me running from the
cops
These are theâ€¦ get to the floor maineâ€¦ I neverâ€¦
See Iâ€™m about getting my dough right
So nigga if your lifeâ€¦
We donâ€™t never run to theâ€¦ we get it in broad light
My niggas about they money, money
The numbers and figures all are money, money
Numbers and â€¦ money, money
The hundreds and fifties all love money, money

Yeah, Biggy said nigga more money more problems
Bitch main niggasâ€¦
Once you get the bread all these fuckers wanna rob
you
â€¦ head and dump it on the target
Iâ€™m prolly the livest nigger you ever seen
Hard body with scotty when I was 17
They say the flow crack, fresh heroine
They call me dope man, meth amphetamine
My niggas get it on theâ€¦ block
Only time they get a picture is a mug shot
Fuck a drug spot, selling through the blackberry
All above top, thatâ€™s crack ready
Iâ€™m on a mission for the pay souls
The bejamins franks swimming in bank rolls
She made a million out in Vegas, bingo
Iâ€™m talking bizness full of paperâ€¦
Itâ€™s getting hot ..enjoy
Sirrock pina colata me shotâ€¦
Cause Iâ€™ma hit the blockâ€¦ alphabet boys

I started out hustling right â€¦ got me running from the
cops
These are theâ€¦ get to the floor maineâ€¦ I neverâ€¦
See Iâ€™m about getting my dough right
So nigga if your lifeâ€¦
We donâ€™t never run to theâ€¦ we get it in broad light
My niggas about they money, money
The numbers and figures all are money, money
Numbers and â€¦ money, money
The hundreds and fifties all love money, money

Man I remember fucking on that avenue
Never showing gratitude, doing what I had to do
Shopperâ€™ attitude
Talking slick behind the dude, find him on the 7 news
Bitch Iâ€™m bout my paper thatâ€™s the only thing
Iâ€™m running to
Fuck her for an hour straight, thatâ€™s just what a
hundred do
â€™come and pick this revenue
Money boy letâ€™s talk about it
Problems got too much of those,
Walking like I talkâ€™ like it was domino
Eyes wide open, pistol top with my pajamas on
â€™feds canâ€™t stand us
See that red and blue my niggas running likeâ€™what
We gotta eat, pussy nigga man up

I started out hustling right â€™ got me running from the
cops
These are theâ€™get to the floor maineâ€™ I neverâ€™
See Iâ€™m about getting my dough right
So nigga if your lifeâ€™
We donâ€™t never run to theâ€™ we get it in broad light
My niggas about they money, money.
