So you said we'd go our separate ways
I knew you wouldn't be gone for long.
Now you're telling me that's not the case
Too late cause now your cover's blown.
Swear that I've heard it all before
Just too bad all it was was talk.

It was you that said we are dead
So why keep hangin on? (x4)

Oh oh oh

Should've known that you would break my heart
You said we were better off as friends.
I mean I took it kinda hard
But I won't make that mistake again.
Swear that I've heard it all before
Just too bad all it was was talk.

It was you that said we are dead
So why keep hangin on? (x4)

Why keep hangin?

It was you
It was you
It was you
It was you
It was you
Nah it was you
It was you
Nah it as you

Oh it was you
It was you
It was you
Nah it was you
It was you
Nah it was you
It was you
Nah it was you

It was you
It wasn't me baby
It was you
It was you
It wasn't me baby
It was you
It was you
It wasn't me baby
It was you
It was you
It wasn't me baby
It was you
It was you

It was you that said we are dead
So why keep hangin on? (x4)

Hangin on on on
Hangin on on on
Hanin on on on
Hangin on on on
