### OVER YOU

I heard nothing lasts forever  
That's what they say say say  
Still I thought we'd be together  
Baby always ways ways  
But tonight I don't care  
About any of that  
And I don't feel sad  
And I don't want you back  
'Cuz baby baby baby  
I've been going crazy  
But tonight I'm letting you go

I wanna dance dance dance  
Like there's no one watching me me me  
I raise my hands hands hands in the air  
'Cuz I feel so free

### Chorus

I wanna party all night long  
Dancing to my favorite song  
oh oh oh  
Turn the music up  
'Cuz I never wanna stop  
Now I'm over you  
Over over  
Now I'm over you  
Over over  
Now I'm over you

Feels like I've been in a trance  
Lost in a daze daze daze  
Now all I wanna do is dance  
Glad you're not in my way way way  
Grab my cash, my ID  
And my hi-top shops  
Gonna hit the town  
Did you hear the news?  
'Cuz baby baby baby  
I'm no longer going crazy  
And tonight I'm letting you know

I wanna dance dance dance  
Like there's no one watching me me me  
I raise my hands hands hands in the air  
'Cuz I feel so free

Chorus

I wanna party all night long  
Dancing to my favorite song  
oh oh oh  
Turn the music up  
'Cuz I never wanna stop  
Now I'm over you  
Over over  
Now I'm over you

I'm so over  
I'm letting go of all the pain  
It feels so good to breathe again  
I'm so over  
I raise my hands hands hands in the air  
'Cuz I feel so free

I feel so  
I feel so  
I feel so free  
yeah  
Come on come on
