I'd hold my breath but you took that away,
If you'd asked me I'd pretend I'm okay
'Cause I'd wait forever and a day
But it ain't that easy to make you believe me

So I'll pour my heart into words
And I'll write them down in a verse
'Cause I can't think of anything worse
Than finding it easy to make you believe me

Tell me you'll fight,
Tell me that you won't let go
When I need you the most in the night

Tell me I'm right
Tell me you want me to stay
Tell me you're not afraid to hold me tight

Tell me that you're gonna fight

If I'm the last girl left on this Earth
Would you hold me and tell me I'm worth
Everything and sing a song unrehearsed
'Cause I'm feeling uneasy that you won't believe me

Tell me you'll fight,
Tell me that you won't let go
When I need you the most in the night

Tell me I'm right
Tell me you want me to stay
Tell me you're not afraid to hold me tight

Tell me, tell me that I'm not crazy
To think you could love me,
I think you could love me
I think you could love me

Tell me you'll fight,
Tell me that you won't let go
When I need you the most in the night

Tell me you'll fight,
Tell me that you won't let go
When I need you the most in the night

Tell me I'm right
Tell me you want me to stay
Tell me you're not afraid to hold me tight

Tell me that you're gonna fight
Tell me that you're gonna fight
Tell me that you're gonna fight
