Why cant I be a disney princess?
I've got everything a disney princess needs.

I've got the singing, I've got the dress sense,
just need a prince to get himself down on one knee.
And maybe like snow white I could wish into a well
or find the answer in a book just like that funny girl
named belle
or maybe like mulan ive got to fight for royalty.

Oh disney when will you discover me?

All I need is a true loves kiss and a magic carpet ride,
handsome prince right by my side
and animals that listen when I call.
Perfect hair and big brown eyes Im a princess in
disguise.

Don't own a castle or a house
with 7 men or royal spouse
No step mother with plot twists worth awards.

I burst into song, get funny looks,
always got my nose stuck in a book
so wheres this prince, tiaras, spells and swords.

But I know I could be a disney princess,
will I get to give the royal thing a whirl?
Or will I always just be quite normal,
a deluded silly average teenage girl?
