Cause it's you we need
So forgive us
Dont run away
Run away

Cause it's you we need
So forgive us
Dont run away
Run away

All our days have past
And now were falling down
Always think of cheap things that we said to you
Regretting all the things that we'd never say

Cause it's you we need
So forgive us
Dont run away
Run away

Cause it's you we need
So forgive us
Dont run away
Run away

Oh
Your all we need

Cause it's you we need
So forgive us
Dont run away
Run away

Cause it's you we need
So forgive us
Dont run away
Run away

Forgive me
Complete me
Dont run away
