Pleased to meet you
Introducing something new
Something that you thought you'd
Never ever see before

Now it's time to wake up
You put on all your makeup
Wake up for the show

Take her hand
Let's get on the floor
Lights go out
If you dont move you'll never know

Are you coming?
Yeah your coming
Let's go!

Pleased to meet you
Introducing something new
Something that you thought you'd
Never ever see before

Now it's time to wake up
You put on all your makeup
Wake up for the show

Take her hand
Let's get on the floor
Lights go out
If you dont move you'll never know

Take her hand
Let's get on the floor
Lights go out
If you dont move you'll never know

We know you'll know

Take her hand
Let's get on the floor
Lights go out

If you dont move you'll never know

Take her hand

Let's get on the floor

Lights go out

If you dont move you'll never know
