Walking by your house reminds me of summer
Pretty girls looking like you
Friends, confetti
It's your birthday
Oh light shines on you

Cause you
Because you
Your no novelty
No one trick girl for me

We feel just the same
You'll never leave your man
There's no use pretending
It's only condescending

Shameless english summers
Such a funny girl
Always happy
Congratulations on another birthday
Oh light shines on you

Cause you
Because you
Your no novelty
No one trick girl for me

We feel just the same
You'll never leave your man
There's no use pretending
It's only condescending

Cause you
Because you
Your no novelty
No one trick girl for me

We feel just the same
You'll never leave your man
There's no use pretending

Your condescending

Oh condescending
Your so condescending
Oh condescending
