No use to worry
Feel sad
Remember all the good times that we had

Hope you see
Hope you know
Your giving me reason to let you go

Feel you slipping away
Feel you slipping away

Wipe those tears
Open your eyes
Your time is over
Saying goodbye

She keeps me to herself
Little thing
Little thing

Cause she's my
Little thing
Little thing

Nowhere to hide
My self control
Gave you everything that I know

Did it all for you
Not for me
Now i'm thanking you
For setting me free

Feel you slipping away
Feel you slipping away

Wipe those tears
Open your eyes
Your time is over
Saying goodbye

She keeps me to herself

Little thing
Little thing

Cause she's my
Little thing
Little thing

Little thing
Little thing
Your my little thing

She keeps me to herself
Little thing
Little thing

Cause she's my
Little thing
Little thing
