Silly girl
Silly boy
Silly world
Living in funny costumes

He don't need you baby
Your a throwaway
He don't need you girl
Your better off that way

So don't
Don't hold your breath
No no
He don't want you like that

Silly lovers
Desire
Silly friends
Sleeping with crazy people

He don't need you baby
Your a throwaway
He don't need you girl
Your better off that way

So don't
Don't hold your breath
No no
He don't want you like that

So don't
Don't hold your breath
No no
He don't want you like that

Oh yeah
Out of control

I know where to find you
I know where to find you
In their shadows
Their shadows

Oh yeah

He don't need you baby
Your a throwaway
He don't need you girl
Your better off that way

So don't
Don't hold your breath
No no
He don't want you like that

So don't
Don't hold your breath
No no
He don't want you like that

Oh yeah
Out of control

I know where to find you
In their shadows
