She's tired of living alone
That's what she said
That's what she needs

She plays the saxophone
Plays it till she bleeds
Plays it till she bleeds

Yeah

Now Patrick was a very good boy
Played the part and makes sure he goes all the way
See him come and see him go
But she knows that he would never ever ever stay

Talk to me now
Cause you know which way we will go
Talk to me now
Cause you know
Don't you want him baby now?

She sits on her porch
All alone
She plays the saxophone
Plays it till she bleeds
Plays it till she bleeds

Yeah

Patrick was a very good boy
Plays the part and makes sure he goes all the way
See him come and see him go
But she knows that he would never ever ever stay

Talk to me now
Cause you know which way we will go
Talk to me now
Cause you know
Don't you want him baby now?

Don't ya
Don't you want him baby now?

Oh yeah!

Talk to me now
Cause you know which way we will go

Talk to me now
Cause you know
Don't you want him baby now?
