Your so crazy
I'm not for you
I'm not waiting

I'm so tired
Your not listening
So not waiting

Disorganized and overdone
You know she tried too much
What happened to the girl I once knew?
It's late now, too late now

You've been falling
I'm not sorry
I'm not waiting

So not sorry
I'm not for you
So not waiting

Disorganized and overdone
You know she tried too much
What happened to the girl I once knew?
It's late now, too late now

It's too late
It's too late

We're on our way
Never again is what she'd say

She's disorganized and overdone
You know she tried too much
What happened to the girl I once knew?
It's late now, too late now
