She moves
She dances
Sweet talks
So lovely

Have you seen her before?
She's our favorite girl

He dont know your the one
Come on come on you favorite girl
Come on baby
Come on girl

You say you need me
A perfect day to indulge too much

Have you seen her before?
She's our favorite girl

He dont know your the one
Come on come on you foolish girl
Come on baby
Come on girl

Is this it?
One more dance
Come on
Come on

He dont know your the one
Come on come on you foolish girl
Come on baby
Come on girl

Oh, he dont know your the one
Come on come on you favorite girl
Come on baby
Come on girl

Come on
