Stuck in london gotta make some dough
Lost my beard and I lost my fro
Looking high and i'm looking low,
but there aint no pretty girls no more

I saw a girl who had a perfect smile
but She wasn't you and I got bored after a while
but i'll be fine i got this picture in my mind

You and me riding the train to our destiny
You and me eating mangos in a mango tree

There is nothing that I would not do
To be on plane going straight to you
The bank said the payments didn't come through
So I'm stuck working in the london zoo

I help the kids get on the carousel
But baby at night it's like a living hell
But I'll be fine I got this picture in my mind

You and me riding the train to our destiny
You and me eating mangos in a mango tree

Humba duh dumbah humbah's

You and me riding the train to our destiny
You and me Making love with this melody
you and me we drink coffee 'cause we don't drink tee?
You and me eating mangos in a mango tree

Eating Mangos in a mango tree
Eating Mangos in a mango tree
Eating Mangos in a mango tree
Eating Mangos in a mango tree
