What would you think if I sang out of tune,
Would you stand up and walk out on me.
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.
Oh I get by with a little help from my friends,
Mmm, I get high with a little help from my friends,
Mmm, I'm gonna try with a little help from my friends.

Do you need anybody?
I need somebody to love.
Could it be anybody?
I want somebody to love.

What do I do when my love is away.
(Does it worry you to be alone)
How do I feel by the end of the day
(Are you sad because you're on your own)
No, I get by with a little help from my friends,
Mmm, get high with a little help from my friends,
Mmm, gonna to try with a little help from my friends

Do you need anybody?
I need somebody to love.
Could it be anybody?
I want somebody to love.

Would you believe in a love at first sight?
Yes I'm certain that it happens all the time.
What do you see when you turn out the light?
I can't tell you, but I know it's mine.
Oh, I get by with a little help from my friends,
Mmm I get high with a little help from my friends,
Oh, I'm gonna try with a little help from my friends

Do you need anybody?
I just need someone to love.
Could it be anybody?
I want somebody to love

Oh, I get by with a little help from my friends,
Mmm, gonna try with a little help from my friends

Ooh, I get high with a little help from my friends
Yes I get by with a little help from my friends,
with a little help from my friends
