Do you think you can make a fool out of me,
Huh?

You'll never do it,
Do you think you can make a fool out of me,
I'm the only one that could ever do it.

I,
I really don't care what you say,
I don't care what you do,
I hate you anyway,

I want you to die,
I want you to die,
I want you to die,
Die Die Die,
Die in a hole.

Who do you think you are,
The King of the world?,
I'm going to kick sand in your eye,
I'm going to kick dirt in your wound,
Because I don't care if you live,
I don't care if you survive,
In fact I hope you die.

I want you to die,
I want you to die,
I want you to die,
Die Die Die,
Die in a hole.

Die in a hole.
