Give me a second to look the other way,
Could you give me a second to forget that you say,
'I love you',
Girl you don't love me,
And I don't like you that way.

I don't like you that way,
I don't like you that way,
I don't like you that way,
I don't like you that way,

Come on,
Give me a minute baby,
To pretend you're a piece of meat,
Give me a minute babe,
I'll be a wild boy ready to eat,

But I'm sorry,
Oops sorry for your mistakes,
I don't like you that way.

I don't like you that way,
I don't like you that way,
I don't like you that way,
I don't like you that way,

I'm singing give me an hour babe,
And I'll make my intention clear,
I said give me an hour babe,
And I swear that I'll be there.

But I'm sorry,
I'm sorry if I am late,
Cause I don't like you that way.

I don't like you that way,
I don't like you that way,
I don't like you that way,
I don't like you that.
