You wanna save a life,
Can you share a dream,
Imagine thatâ€™s your child you sit awake and watch
them sleep

You wanna see them grow,
You wanna see them shine,
And if they hurt, deep inside, Youâ€™re dying.

Donâ€™t walk away, Donâ€™t you walk away,
You can make a difference,
You can be a change.
Donâ€™t walk away, Donâ€™t walk away,
You can make a difference,
You can be a change

So can you raise your voice,
Let it be known,
And if all else fails, we will fight to make it right
Donâ€™t be afraid, Give it all you got,
We got the world to see, Have you forgot
When you fall and you hurt and you try try try,
Youâ€™re never gonna be alone.

Donâ€™t walk away, Donâ€™t walk away
You can make a difference,
You can be a change
Donâ€™t walk away, Donâ€™t walk away
You can make a difference,
You can be a change.

And now, itâ€™s time to make that change
Itâ€™s time to stand up straight
Itâ€™s time to put your heart where your mouth is
And now, itâ€™s time to make that change
Itâ€™s time to stand up straight
Itâ€™s time to put your heart where your mouth is

Donâ€™t walk away, Donâ€™t walk away
You can make a difference,
You can be a change
Donâ€™t walk away, Donâ€™t walk, donâ€™t walk

You can make a difference,
You can be a change.
Donâ€™t walk away, Donâ€™t walk away
You can make a difference,
You can be a change
Donâ€™t you walk away now, now, now
Donâ€™t you walk away now, now,
You can make a difference,
You will be that change
