[VERSE #1]

Here we go again, I'm losing more friends
Every time I decide to wiggle this ball point pen
Cause I'm known to condemn all women &
men
Who pretend on a scale I'm a one out of ten
Lyrically I'm a sycamore tree, & you're a stem
& the trend is that speed is in need to contend
But a word that is heard is remembered again
You're just a fast rap Benz with a smashed front
end
I'm like a big ass truck
& I'm running over rap not giving a f***
I'm only standing at a 5'8 stature
Here to attack ya like a bat out of hell, I'm
comin' at ya
Ya big money gettin rapper / disaster
Hiding from emcees & waiting to be captured
I keep it real, you're & actor
You're like & atheist cult & I'm the rapture

[HOOK]

THERE - THEY - GO

Tellin' everyone I'm L-O-C-O
Makin' up shit, shit they don't know
Cause everybody here knows I handle my flow
(so I be like) THERE THEY GOOOOOOOO
THERE THEY GO AGAIN
(I be like) THERE THEY GOOOOOOOO
THERE THEY GO AGAIN

[VERSE #2]

Most of my family was absent when I was a kid
I f***in raised myself while my mother was sick
I wanted somebody to visit us but nobody did
We were struggling to live while the rest of you hid
With your pretty little families on top of the hill
While I was forced to adapt to Republican-Ville
Which instilled all this venom that I tend to conceal
Until I spill it on the mic & you know that its real
Me and my mom were like the poorest in the richest
area

A country ass city where the whites stare at ya
& youâ€™re anything but equal, all the people scared
of ya
Because a black was as common as a bleak America
I slipped in a pit but I didnâ€™t know it
I hadnâ€™t achieved shit so I couldnâ€™t blow it
Remained stoic, as I was so close to defeat
So I just popped pills, turning me into a beast

[HOOK]

THERE - THEY - GO

Tellinâ€™ everyone Iâ€™m L-O-C-O
Makinâ€™ up shit, shit they donâ€™t know
Causeâ€™ everybody here knows I handle my flow
(so I be like) THERE THEY GOOOOOOOOO
THERE THEY GO AGAIN
(I be like) THERE THEY GOOOOOOOOO
THERE THEY GO AGAIN

[VERSE #3]

It doesnâ€™t shock me, that most of you cocky people
Wanna stop me, from moving at top speed
& try to block me, kinda like a Rocky sequel
Like Iâ€™m boxing but Iâ€™m only talking
I was happily depressed, conflicted
To the point I couldnâ€™t see my mental sickness
Only focusing on my physical fitness
Was & unusual drug but I was addicted - sh**
People didnâ€™t care at all, because it wasnâ€™t
Cocaine, Adderall, Heroine, or alcohol
Everybody let me fall
& didnâ€™t take it serious until I dismantled a wall
Causeâ€™ people think that you can stop when you
want to
Not understanding that addiction always haunts you
& everyday it finds a way to come & taunt you
& every time you give in, it'll stomp you

[HOOK]

THERE - THEY - GO

Tellinâ€™ everyone Iâ€™m L-O-C-O
Makinâ€™ up shit, shit they donâ€™t know
Causeâ€™ everybody here knows I handle my flow
(so I be like) THERE THEY GOOOOOOOOO
THERE THEY GO AGAIN
(I be like) THERE THEY GOOOOOOOOO
THERE THEY GO AGAIN

THERE THEY GOOOOOOOOO
THERE THEY GO AGAIN
(I be like) THERE THEY GOOOOOOOOO

THERE THEY GO AGAIN
