(Hook)

Ye, wassup
She know my name
Ye, wassup
I run the game
Ye,
She know it's wet
It's soaking wet
I said it's soaking wet
Drip (x8)
Ye , she know my name
I run the game
I said I run the game

(Verse 1)

Drip,drip I hover don't slip up
Girl I'm the janitor, hey let me mop you up
She like backup, but let me top you up
I'm like go hit, girl go and give me your hip
Spread your legs just like them jordans
And every time I come over
I gotta fuck you in my jordans
Gotta beat it up like it's important
Girl let me clear my schedule
Then fit you in my schedule
You on time just like it was scheduled
Girl prop it up, I mean arch your back
I'm going in, I let her smack, down
I grab her hips, she bend over
And make it drip
