(Hook) x2

All I

Wanna

Do is get this money

And keep on stunting

You can't tell me nothin'

(Verse 1)

All I want is money

Bitch I mean them hunned

Ye I should french you nigga because you frontin

And if you throw me that pussy girl I'm gon' dunk it

Had a truck with an engine ye she thought I would be in front it

And that real nigga shit, gon' suck a real nigga dick

I make a real nigga flick

Walk around with so much money I should have my tomb

But just 'cause I ain't flash my shit don't mean I ain't got my tune

Nah I don't really play the spades

But if you ask me shit, I'm gonna say yay

Caught a waitress order up 20 other spades

This the life I'm living baby I'm in to say hooray

(Hook) x2

All I

Wanna

Do is get this money

And keep on stunting

You can't tell me nothin'

(Verse 2)

I used to hang out in the streets, now I'm on TV

Real gold, no ice check out the rollie

Yo bitch wanna buy me something, oh can't afford me

I hit a bitch so good, she wanna spore me

Have game just right, it keep me going

Blowing gas in the bush, it keep me flowing

Your boy betta have a gun, 'cause I'm holdin

Bad bitches everywhere, ass just showing

Money, that's my occupation so I keep chasing

And racing, stacking these phases can't tell me
anythin'
All I wanna do is get some money
And I keep on stunting

(Hook) x2
All I
Wanna
Do is get this money
And keep on stunting
You can't tell me nothin'
