And my rims real big, and my house is real big and my

And itÂ's M O E baby

Money over everything and that A's what it be baby

(Verse 1)

And IÂ'm flyer than a pelican

And IÂ'm fresher than I ever been

And IÂ'm higher than I ever been

And I ainÂ't motherfucking stuttering

I ainÂ't like these other niggas

I really sold that butter man

And boy you still gotta get touched up

And itÂ's fuck your family feelings, IÂ'm like tough luck

And I ainÂ't never light, no little money like megabux

And I ainÂ't with no simple girl, I like mega sluts

lÂ'm coming at niggas, like they owe me

I hear Â'em talking real gangster lÂ'm like show me

24 all in your chest they call him Kobe

But I donÂ't really wanna get back to the old me

(Hook)

(Verse 2)

And my team I wonÂ't trade for nothing

Man I was on the block, grinding hard like I was a slave

or something

Man lÂ'm trying to get my crap up

They slow donÂ't run the stock up

Now they pay me for pop ups nigga
But donÂ't make me pop up ,
Â'Cause bodies they wonÂ't pop up
Niggas they get mopped up
And we donÂ't call him hitman we call him cleaners
Watch these niggas ass up then put Â'em in the
cleaners

Nas missing picture sayinÂ' Â"Have you seen him?Â" Jury blinded all these bitches they like Â"we canÂ't see Â'emÂ"

And I know these niggas hatin but they wanna be Â'em And I swear I play with weight like I was in the gym
