I en dresin
Flyter me sammen mot en fantasi

I en dresin
Mens lyset fra byen flakker forbi

La meg stenge av
La meg slumre litt til

Alle bare seie
Det de tror de må se

Alle bare meine
Det som flyter dies vei

Eg levitere
Og pense av
Et slag fra min tryllestav

La meg stenge av
La meg slumre litt til
[x2]

E det magi
Når det f.les så
Virkelig

English translation:

In a draisine, we float together towards a fantasy
In a draisine, with the city lights flickering by

Let me close it all out
Let me sleep a little more/ Leave me to my slumber

Everyone just says
What they think they have to say

Everyone just says
Whatever comes their way

I levitate
And leave the tracks
By a wave with my magic wand

Let me close it all out
Let me sleep a little more/ Leave me to my slumber
[x2]

Is it magic
When it feels this real?
