dear Holly I apologize  
I've been telling lies  
and you've gotten wise

oh Holly I never meant you harm  
it's just romance & charm  
with somebody new

and I'm sorry that you fell  
but you should have known just as well  
you're just a hobby Holly

poor Holly you were always true  
and I don't blame you  
I would hate me too

say Holly if you give it time  
then I'm sure you'll find  
someone who still can be kind

and I'm sorry that you fell  
but you should have known just as well  
you're just a hobby Holly

and I'm sorry that you fell  
but you should have known just as well  
you're just a hobby Holly
