back in town  
blown out lungs  
shot ear drums  
and this place kisses  
and someone who misses  
well this is me in Kansas

the second I got out of the van  
I saw you giving your cash to the doorman  
I saw the x on your hands  
I knew you were the one  
I knew you'd understand

I wish we coulda talked all night  
we had to be in Illinois by the daylight  
and what I wouldn't give to be your man  
but I can't break up the band

and jeane  
there must be more than letters and phone calls  
to say you'll come see Maine when the snow falls  
to say you'll come see Maine when the snow falls

this kissing in Kansas  
but that's not home  
and we'll sigh when we're on the phone  
but the voice in my ear says  
it wouldn't be the same if you moved here

it's just miles  
it's only miles  
it's just miles  
and miles and miles and miles
