(Our love is original)
There's no rhyme and there's no reason
When you roll around and talk in silly accents
It's unbelievable and hysterical when
You leaned in to kiss me and gave me a black eye...
But since then my vision's so clear
We don't have to try...
'Cause it comes so naturally

It's our original love...
'Cause no one gets me like you
I can't get enough...
'Cause I light up when I see you
Original love...
You're the bee's knees, sweetie
Our own kind of love...

(Our love is original)
I feel miserable, it's indescribable
When the smell of your shirt starts to fade away
The long distance, it's a bitch when
I'm making funny faces but you're not here....
To make them back at me
I wish you could hear...
Me laugh uncontrollably

It's our original love...
'Cause no one gets me like you
I can't get enough...
'Cause I light up when I see you
Original love...
You're the bee's knees, sweetie
Our own kind of love...

Ooh, I like the taste of your sweat...
You rock the beat of my heart...
Your song's stuck in my head...

It's our original love...
It's our original love...
Oh, oh, oh it's our original

It's our original love...
'Cause no one gets me like you (no one gets me...)
I can't get enough...
(Can't get enough) 'Cause I light up when I see you
Original love... (Original love)
You're the bee's knees, sweetie
Our own kind of love... (own kind of, own kind of, own
kind of love)
(Our love is original)
