Weather man said it's gonna snow
By now I should be used to the cold
Mid-February shouldn't be so scary
It was only December
I still remember the presents, the tree, you and me

But you went away
How dare you?
I miss you
They say I'll be OK
But I'm not going to ever get over you

Your favorite records make me feel better
'Cause you sing along with every song
I know you Dead, mean to give that to me

But you went away
How dare you?
I miss you
They say I'll be OK
But I'm not going to ever get over you
