You feel like a candle in a hurricane Just like a picture  
with a broken frame Alone and helpless, like you've lost  
your fight But you'll be alright, you'll be alright  
â€˜Cause when push comes to shove You taste what  
you're made of You might bend â€˜til you break  
â€˜Cause it's all you can take  
On your knees you look up Decide you've had enough  
You get mad, you get strong Wipe your hands, shake it  
off Then you stand, then you stand  
Life's like a novel with the end ripped out The edge of a  
canyon with only one way down Take what you're given  
before it's gone And start holdin' on, keep holdin' on  
â€˜Cause when push comes to shove You taste what  
you're made of You might bend â€˜til you break  
â€˜Cause it's all you can take  
On your knees you look up Decide you've had enough  
You get mad, you get strong Wipe your hands, shake it  
off Then you stand, yeah, then you stand  
Every time you get up And get back in the race One  
more small piece of you Starts to fall into place, yeah  
â€˜Cause when push comes to shove You taste what  
you're made of You might bend â€˜til you break  
â€˜Cause it's all you can take  
Yeah, then you stand Yeah, baby Woo hoo, woo hoo  
Woo hoo, woo hoo Then you stand, yeah yeah
