"El Amor De Arjuna"

As I'm sent to you now
I live in this world now
I've never resisted
Like the times when I feel it

You, you carry me through this
This war that I keep fighting
I fight it for you
Tan solo Tu

Tan solo tu y yo
Solo con este amor
Amor de los dios
Creo en este amor

You hold all the three worlds
I see them in inside you
I long to be with you
They call us together

Eschucho la voz de tu amor
Te quiero mas poco a poco
Estoy andando contigo
No puedo ver los otros
