Non ? cos?, your close to me
And your sadly so tender
When you say "I surrender"
Do you mean what you say

Non ? cos?, what will it be
Will you part from me never
When you say it forever
Do you mean what you say

I have waited for love such a long time
And 'til now it was all wait the run time
Now for one time
In my life time let it be true

Make love to me, non ? cos?
Only save that you want me
In my heart I'll be praying
What you saying is true
If you will love me
Non ? cos?

I have waited for love such a long time
And 'til now it was all wait the run time
Now for one time
In my life time let it be true

Make love to me, non ? cos?
Only save that you want me
In my heart I'll be praying
What you saying is true
If you will love me
Non ? cos?
(Non ? cos?)
