I've got a love - I've got a love
Open my hand and make a jump
I'm on a train it's overrun
I fought like it's not the only one.
Why could you go, where could you stay,
I'll die on my feet and I'll pass away
Gripping the rope in days just gone
And shoeing the bones for everyone.
And these are hard times to fall in love
These are hard times to fall in love!
Oh I fell upon a hard hard mile
Shoed me some bones to stake my time
And I gunned for your love right through the sun
Shoeing the bones for everyone.
And these are hard times to fall in love
These are hard times to fall in love!
And these are hard hard times
These are hard hard times!
