La la la la la...

The breeze and I
Are saying with a sigh
That you no longer care

The breeze and I
Are whispering goodbye
To dreams we used to share

Ours was a love song
That seemed constant as the moon
Ending in a strange, mournful tune

And all about me, they know
You have departed without me
And we, we wonder why
The breeze and I
The breeze and I

Ooh, ooh, ooh...

The breeze and I
The breeze and I
The breeze and I
