I've got you dancin' baby all night long  
Can you feel the fire? It moves you to me.

I want you in my arms, we'll be the only lovers here.  
I've got know.

(I've got to know)

We are young, and we're on fire  
Everyone knows we own the night  
So raise your hands, by my side  
Everyone knows we own the night

We are young, and we're on fire  
Everyone knows we own the night  
So raise your hands, by my side  
Everyone knows we own the night

I'll give you what you need to keep you happy  
You've got the smile that makes me crazy  
How much love do you want me to give you here and  
now?  
I've got know.

(I've got to know)

We are young, and we're on fire  
Everyone knows we own the night  
So raise your hands, by my side  
Everyone knows we own the night
