Invade internally  
To seek depravity  
For everything is never as it seems  
Dream anomaly  
Stalling desperately  
Lost content and smothered in between

Drawn in as one  
In trance i'm summoned to succumb  
Taken feeling  
And now there's nothing as it seems  
From you to me  
Take over, transfer pleasantly  
Awake and numb  
Within i'm summoned to succumb

Invasive quandary  
Taken from belief  
The startled phase beginning temperate schemes  
Shaken to the knees  
Terminal entities  
The shackles of existence show no ease

Drawn in as one  
In trance i'm summoned to succumb  
Taken feeling  
And now there's nothing as it seems  
From you to me  
Take over, transfer pleasantly  
Awake and numb  
Within i'm summoned to succumb

No more tries, no more lies  
No goodbyes, no survives  
Out of time, all the time  
No one wins, endless sin

Invade internally  
Terminal entities  
For everything is was never as it seemed

Drawn in as one  
In trance i'm summoned to succumb  
Taken feeling

And now there's nothing as it seems  
From you to me  
Take over, transfer pleasantly  
Awake and numb  
Within i'm summoned to succumb
