You keep telling me no,
And I keep saying Rio,
Find it hard to let go,
When we've been going so long,
Now I'm lying alone feeling like I'm hollow,

And who would have seen my face
When I was a hollow man,
And who would have seen my face,
When I was a hollow man,

Time to let it all go,
Find peace amid the sorrow,
Alone in all that we know,
Still until the time slows,
And I will lay my love low,
Down until we both grow,
And are you lying alone feeling like you're hollow,

I won't go I won't go,
I won't go I won't go
I won't go I won't go
I won't go I won't go
I won't go I won't go
I won't go I won't go

You keep telling me no,
And I keep saying Rio,
Find it hard to let go,
When we've been going so long,
You keep telling me no,
And I keep saying Rio,
Find it hard to let go,
When we've been going so long.
