

## Cave Painting "So Calm"

Oooh, when we lie awake,  
Couldn't feel more right,  
Give yourself away,  
To the rising tide,  
Find your home in caves,  
And a simpler life,  
Hide love away,  
'Til the strait runs dry,

Need to find a place,  
Where the soul can run,  
Counting down the days,  
Baby, one by one,  
We can get away,  
When the work is done

Feel so calm in the way you are (x4)

Oooh, such an easy way,  
With the drift outside,  
Brings them round the bay,  
On the lanterns side,  
Broken by the storm,  
When the door was wide,  
We'll repay the faith,  
When the time is right,  
But I'm not wasting time,  
I'm not wasting time (x5)  
Feels so calm in the way you are (x4)

Feels so calm in the way you are (x4)
