Time is all I seem to have
And everything I have is nothing that you gave to me
You gave me nothing
Why do I always try
To live my life the way you want me to live
If you call out, i'll answer you
I'll do anything
If you need this, i'm here for you
You know that i do it all
I do it all for you
Time is what i'm looking for
And less is something more
More than I can take but I will keep on giving
Where did everything go wrong
I know i'm not that strong but I hope we can carry on
