Now that you're gone yeah I see what you mean to me  
I know that it's wrong but I'm too blind and I can't see  
Now that you're gone I can't help feeling all alone  
I know that it's wrong I sit and wait by the telephone  
I'm waiting for you to call  
Miss you so much I can't sleep  
Can't even stand on my own two feet  
And I can't take this anymore  
And now I wish that you were here  
Wish I could take away all of your tears  
And now that you're back you're telling me everything  
is ok

I know that you're wrong I know that you're wrong  
Cuz you're leaving me today  
And now that you're gone I can't help feeling all alone  
I know that it's wrong I sit and wait by the telephone  
I'm waiting for you to call  
Miss you so much I can't sleep  
Can't even stand on my own two feet  
And I can't take this anymore  
And now I wish that you were here  
Wish I could take away all of your tears  
But I can't take those words away
